Join the Amazon Shopper Panel and earn monthly rewards!

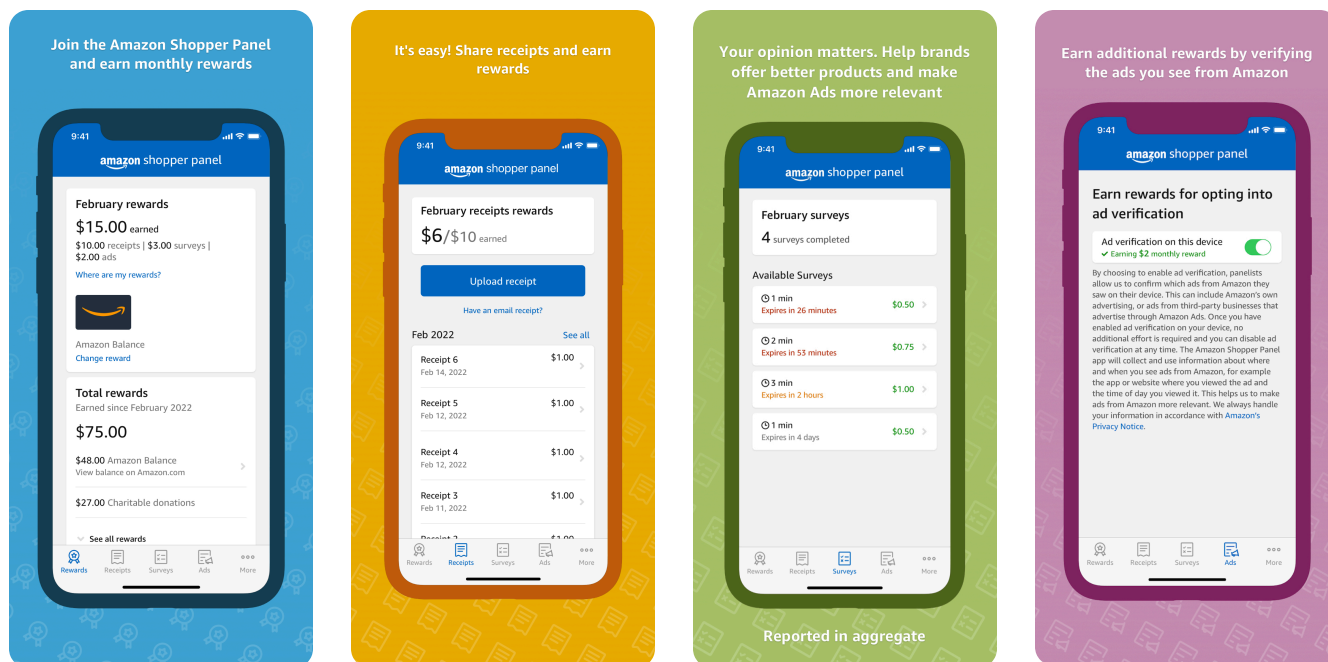

The Amazon Shopper Panel is an opt-in, invitation-only program where participants can earn monthly rewards by sharing receipts from purchases made outside of Amazon.com, completing short surveys, and enabling ad verification for the ads they see from Amazon's own advertising or third-party businesses that advertise through Amazon Ads.

Earning rewards is easy. Simply upload eligible receipts by using the Amazon Shopper Panel app to take pictures of paper receipts or by forwarding email receipts to receipts@panel.amazon.com and you'll earn up to \$10 per month towards either an Amazon Balance or a charitable donation. You'll earn additional rewards each month for every survey you complete or if you enable ad verification. Space is limited and you may only

be eligible to participate in certain parts of the program. You can check if you are eligible by tapping on the tabs for Receipts, Surveys, and Ads in the app.

Your participation will help brands offer better products and make Amazon ads more relevant.
